

GST COURSES

With the implementation of GST from 1st July 2017, there is a huge requirement for GST compliance for millions of small traders and business throughout the country. Major business in our country requires trained personnel to submit their returns every month. The present availability to perform this job is very limited or expensive for small business concern. Therefore it is essential for every person in contact with business to take up training for accountants who can file the GST returns for small traders in large numbers. In pearl Accountants we provide following courses with practical training

GST ONE DAY TRAINING COURSE

Timing: - 9.30am - 4.00pm

It is imperative that one should gather knowledge/ training when a new concept is implemented. Now the most discussed word is the one and only GST by people from all walks of life.

Pearl Accountant organizes one day work shop with the purpose of smooth transition, implementation and to create understanding of the work specification and opportunities.

The workshop is lead by specialist- Chartered Accountant.
